

### REMARKS

Claims 1,2 and 4-44 were pending as of the action mailed on December 28, 2007. Claim 23 is being amended to remove a typographical error. Previously withdrawn claims 37-39 are canceled. Rejected claims 40-44 are canceled.

### **Elections/Restrictions**

The Examiner asserts that the applicant was not fully responsive to the election restriction received on April 13, 2007, for failing to elect a species as between the screw assembly, crosspiece and the support structure. The applicant respectfully submits that the election is now moot as claims 1, 2 and 4-36 are all allowed. However, for the sake of completeness, the applicant elects the screw assembly which is readable on claims 1, 2 and 4-23.

### **Allowed Claims**

The claims currently pending are claims 1, 2 and 4-36. All of the pending claims were allowed by the Examiner.

### **Conclusion**

The applicant respectfully submits that as all withdrawn and rejected claims are now canceled and all pending claims have been allowed by the Examiner, that a Notice of Allowance be issued.
